

How to: Share a Spirit social post to your Facebook feed

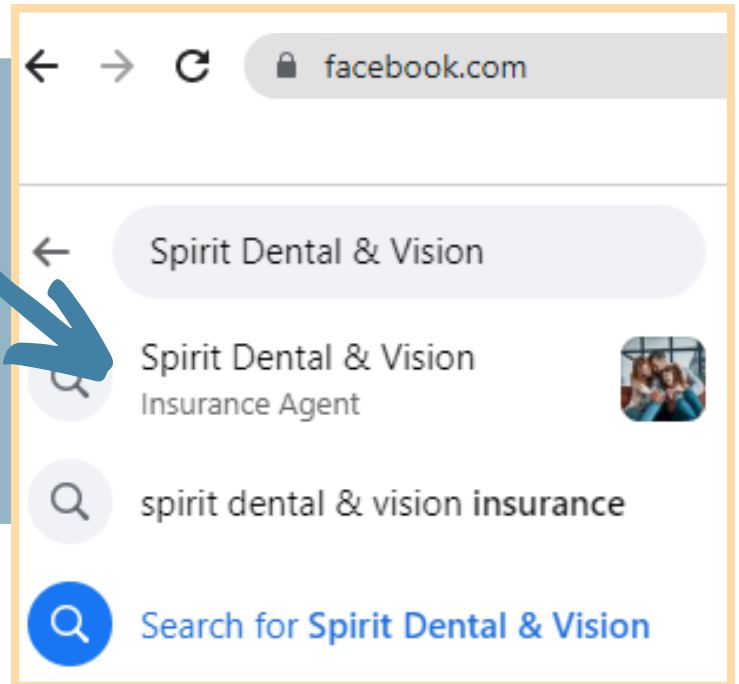

How to: Share a Spirit social post to your Facebook feed

Step 1

Start by logging on to your personal Facebook Page and then locate the search bar to type in "Spirit Dental & Vision."

Step 2

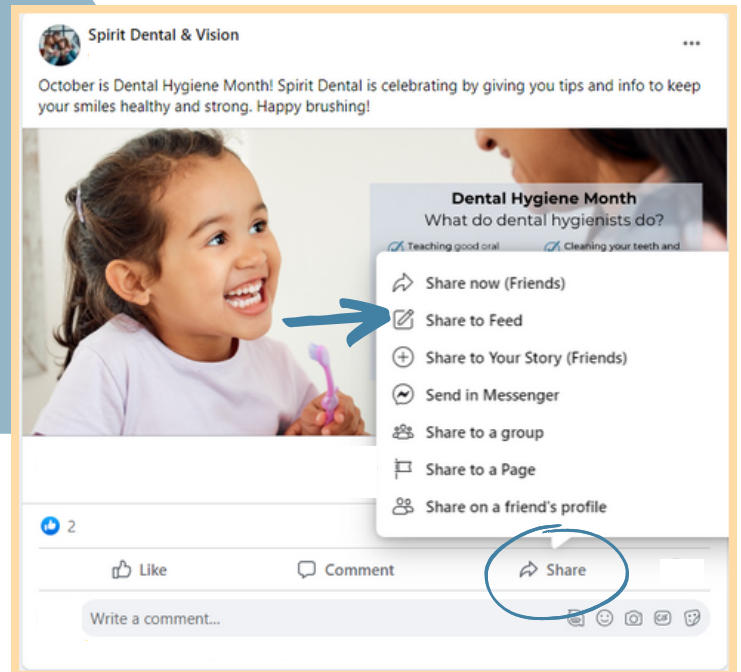

Once you reach our page, find a post you would like to share to your feed.

How to: Share a Spirit social post to your Facebook feed

Step 3

Click the "Share" button on the bottom right and then "Share to Feed."

Step 4

You are then able to add our caption to make it your own, or you could share without a caption. Once that's decided, all you have to do now is click "Post!" Boom, done!
