Spirit Preventive Plus PPO

The Spirit Preventive Plus PPO plan helps you cover the costs of dental care. Covered dental services include exams, cleanings, fillings and extractions, as well as crowns, bridges and dentures. Spirit Dental allows you to select your own Ameritas Dental Network provider and a plan that best fits the needs for you and your family. The Ameritas Dental Network is one of the nation's largest. You save when you use a network provider as these providers have contracted fees (MAC/maximum allowable charge) through their network agreement with Ameritas. When you use a network provider, discounted fees can generally be 25–50% below the average for your area. Visit **ameritas.com** and select **Find a Health Provider** to find a provider near you. Simply enter your ZIP Code and choose the Classic (PPO) Network to start your search.

Plan includes a \$100 lifetime deductible combined for Preventive, Basic and Major Services. Lifetime deductible is per person covered by the plan.

Why should you choose the Spirit PPO Plan?

In addition to paying lower monthly premiums, the Spirit PPO plan can help reduce your out-of-pocket costs. Network providers have contracted fees (MAC/maximum allowable charge) for each service rendered as the basis for payment under the Spirit Dental Plan. This amount is typically significantly less than the amount which could be charged by an out-of-network dentist. These network providers are prohibited (by contract with the network) from charging you the difference between their typical fee and the amount contracted with the network.

Dentists not participating in the network are not subject to the contracted amounts and are permitted to charge any fee for services they provide. This may lead to greater out-of-pocket costs for you and your family members. The sample comparison chart below will give you an idea of how you can save money by selecting one of Spirit Dental's network plans and visiting an in-network provider for services. It compares the charges between visiting in-network and out-of-network dentists.

NETWORK SAVINGS EXAMPLE

In this example, you save \$267.50 (\$610.00 minus \$342.50) by using a participating network provider.

Savings from enrolling in the Spirit Network plan depend on various factors, including how often participants visit the dentist and the cost for services rendered.

*Please note: These examples assume that your deductible has been met.

Why should you choose the Spirit Flex Plan?

The Flex plans gives you the freedom to use any dentist. Covered dental expenses are based upon 80% of the Usual & Customary (U&C)* fees – with the added advantage of utilizing a cost savings rider (or PPO Dental Network) for additional savings.

Dentists not participating in the network are not subjected to the contracted amounts and are permitted to charge any fee for services they provide. This may lead to greater out-of-pocket costs for you and your family members.

The sample comparison chart below will give you an idea of how you can save money by selecting the Spirit Dental Flex plan and visiting an in-network provider for services. It compares the charges between visiting innetwork and out-of-network dentists.

ELIGIBILITY | The insurance coverage is available in states where it's approved to anyone age 18 and older who does not have coverage through another Ameritas dental plan. You can request coverage for your dependents; dependent eligibility varies based on state law. DEDUCTIBLE AMOUNT | The deductible is shown in the coverage schedule. The deductible is an amount of covered dental charges incurred by an insured person for which no benefits will be paid.

PREDETERMINATION OF BENEFITS | It is recommended that a treatment plan/course of treatment be submitted when the total cost of eligible expenses for any insured is expected to exceed the amount shown on the coverage schedule. This should be submitted to Ameritas before the work is started. If actual services submitted do not agree with the treatment plan, or if a treatment plan is not sent in, Ameritas will base our payment on treatment consistent with usual and customary charges. Predetermination of benefits is not a guarantee of what Ameritas will pay. The estimated benefit payment is based on your current eligibility and benefits in effect at the time of the completed service. Submission of other claims or changes in eligibility or this policy may alter final payment.

TERMINATION OF COVERAGE | Coverage terminates on the earliest of the following dates: the last day of the month in which you cease to be eligible for coverage; the last day of the month in which your dependent is no longer a dependent, as defined; subject to the Grace Period, the last day of the month for which a premium has been paid by You or on your behalf; or the date the policy ends.

EFFECTIVE DATE | When you enroll online your coverage can start as soon as the next day. Do not cancel any other insurance or assume you are insured under this plan until you receive written confirmation. Please note your enrollment may take 4 business days to be processed and accessible through any network providers.

ELIGIBLE EXPENSES | Expenses must be incurred while the policy is in force and the person is covered by the policy. To become an eligible expense, the dental services must be performed by: a licensed provider performing dental services within the scope of their license; or a licensed dental hygienist acting under the supervision and direction of a dentist.

MISSING TOOTH | If an insured has lost one or more teeth prior to this policy effective date, we will not pay for a prosthetic device that replaces such teeth unless the device also replaces one or more natural teeth lost or extracted while covered under this policy. Replacement of congenitally missing teeth is not covered under your plan unless you are replacing a current fixed bridge or denture. This replacement is subject to contract replacement limits.

*Plan includes a one-time non-refundable enrollment fee of \$25. This charge will be made at the time of purchase and may appear as a separate transaction from your dental insurance
